"REAL TO REBEL"

Cathedral Preparatory School

Quiet On The Set

"All the world is a stage and we are its actors." Someone, somewhere, somehow found in himself this insight into life and from his view originally summarized what he had discovered.

The roles we play vary in degree and size, but all are uniquely combined into the unifying force that gives the foundation to what we call Cathedral

Prep.

Prior to the filming of any production, many preparations have to be made. First and most importantly directors must be chosen to guide the actors in their performances. As the process continues, a script must be written, scenery must be set and a theme must prevail throughout.

Our preparations began a long time ago. One – fourth of our actors were chosen four years ago but the cast was not complete until the final quarter were chosen within the last year. With this task completed, directors were appointed to specific areas where their talents could be best utilized. Although most of our directors remained with us throughout our extended pro-

duction, some were removed to spread their leadership elsewhere and others were hired to guide us with their unending patience and capability. Next our script had to be revised and finalized. We found little difficulty with this process, as our theme had been perfected long before we had chosen to film it.

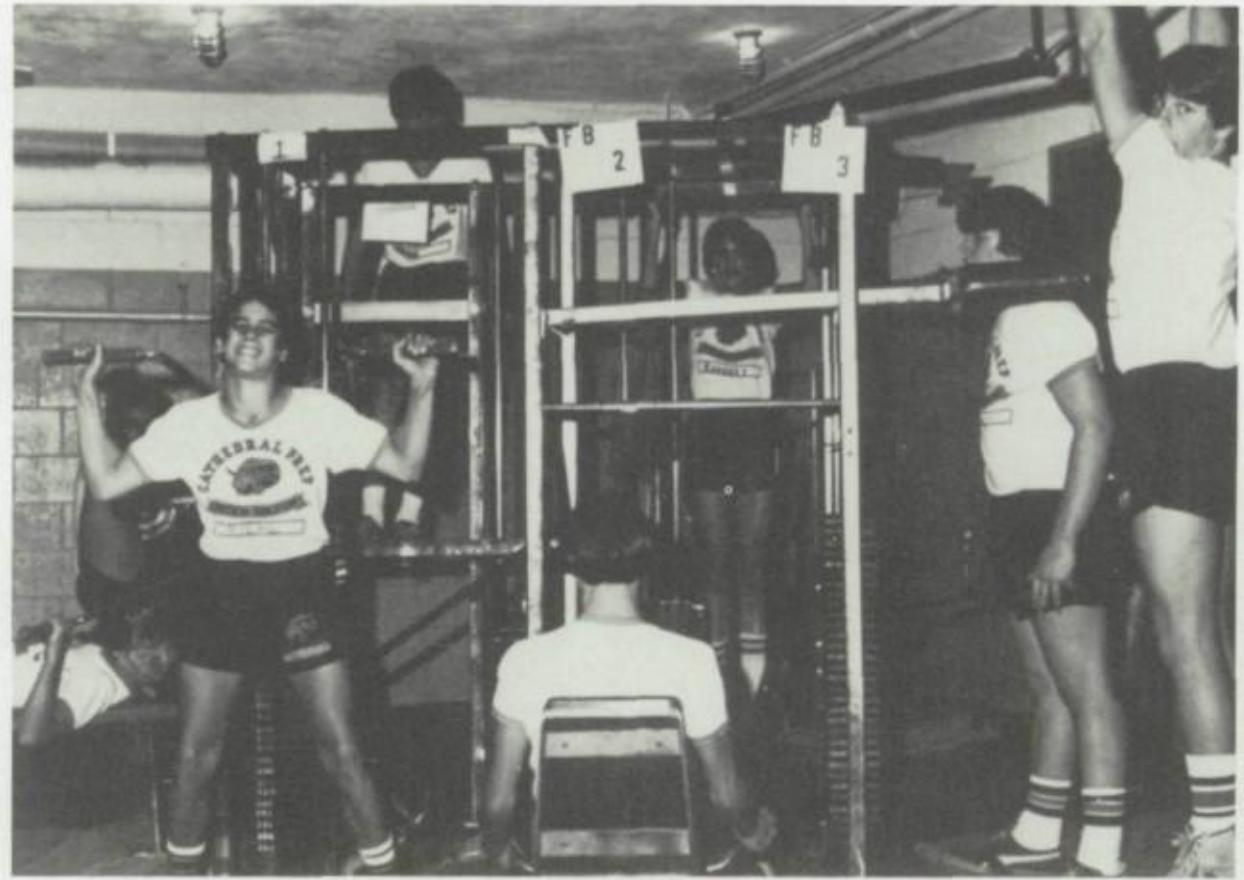

"Whad'ya mean ya buried my truck."

Empty halls await the start of the school year.

"Go to school six days in a five day week, I don't understand."

Vandals glue freshman gym class to weight machine.

"Maybe you'd be interested in some swampland in Florida."

With the script completed, our preparations came to a close and we were ready to begin filming. The realistic essence of Prep was to be artistically captured on a reel of film. "Real to Reel", as you will continually see throughout this production, has captured all that goes into making Prep the finest school in the community. The objective behind

this picture will hold a special meaning to each of the four classes. For the freshman it portrays the conclusion of their debut appearances; with the sophomores, it shows the gains they have made and the losses they have encountered. As for the juniors, the film portrays them for the last time as minor characters for the following will find them starring

in their own production. To the stars of this years production, the seniors, the film illustrates their growth into manhood. Right before their eyes they can view their stay at Cathedral Prep summarized on the following pages. They have met and accepted the challenges offered to them over their four year stay but now, the time has come when they

must move on -- move to where the challenges offer higher rewards. The seniors must take their places off the set and join society where their success as actors will be determined by themselves.

"Real to Reel", as you are about to witness, is about you, it is for you, but mostly, it lives for you!

PRODUCED AND

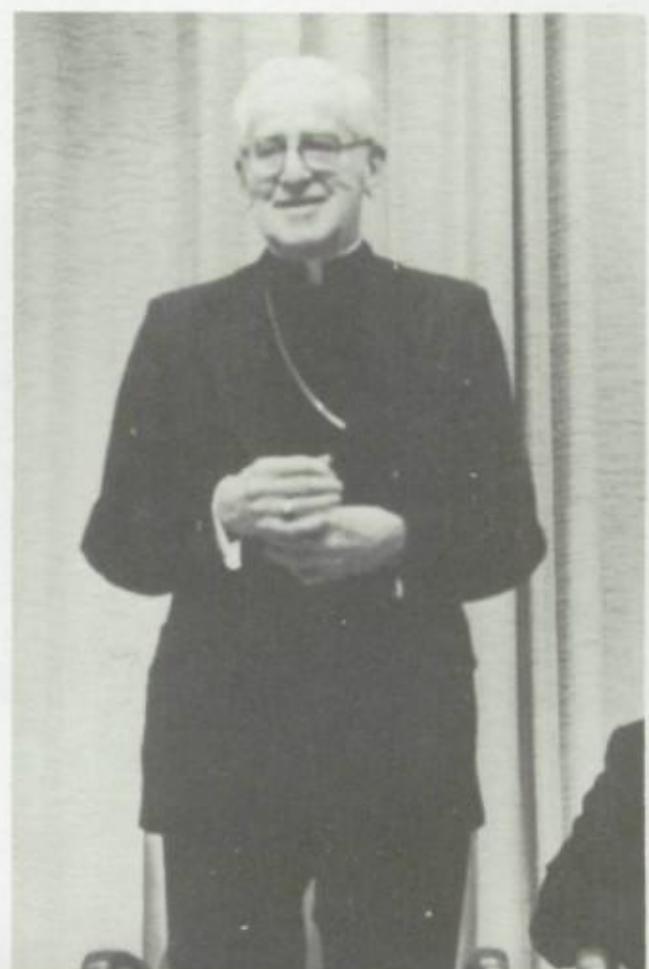

The Most Reverend Alfred M. Watson, D.D. Bishop of Erie

The Most Reverend Michael J. Murphy, D.D. Coadjutor Bishop of Erie

Bishop Alfred M. Watson has always maintained a genuine interest in Prep. He has kept close contact with every aspect of our development and growth. His presence at Quarter Sessions and graduation ceremonies has been a good indication of his concern and care for Prep. His service and dedication will always be remembered.

A great honor was bestowed on the Erie Diocese with the installation of our new Coadjutor Bishop. Bishop Murphy's congeniality, assiduity and ability will certainly benefit the Church in Erie tremendously.

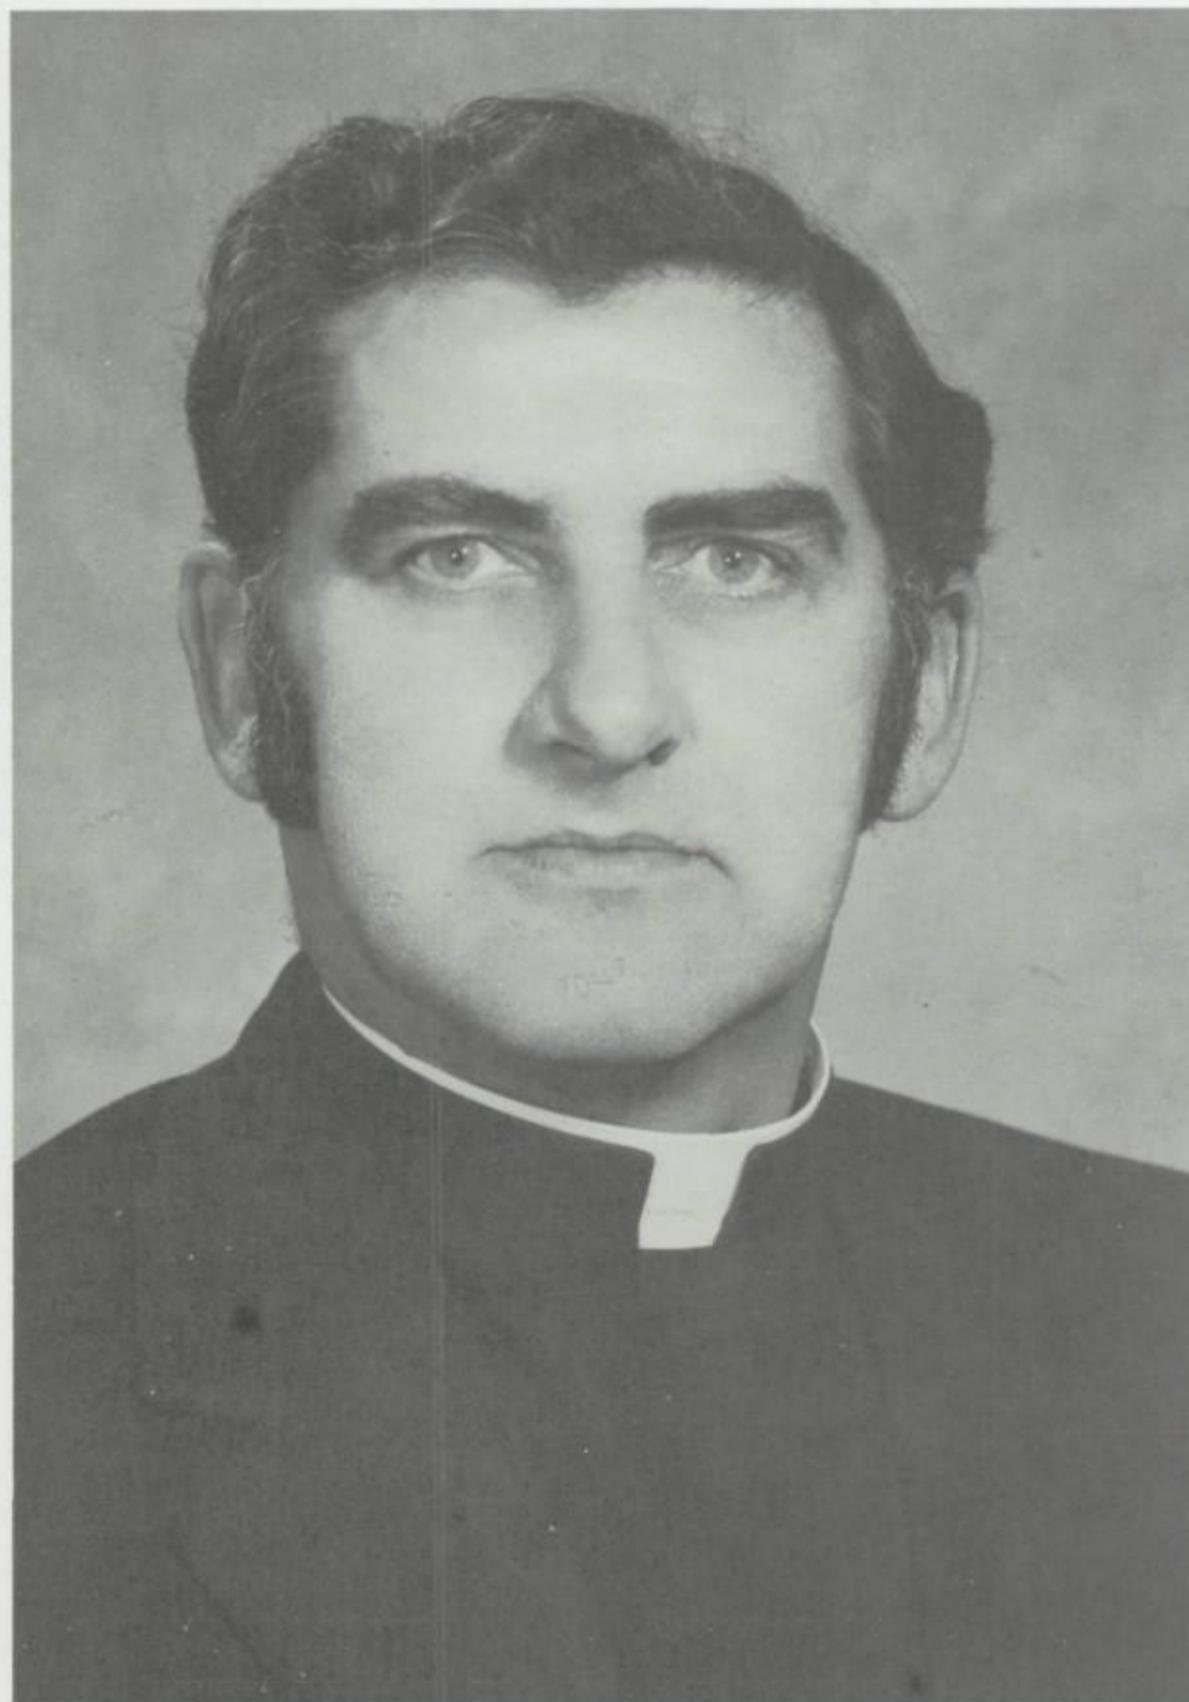

DIRECTED BY:

The success of any production falls into the hands of its producers, for it is under their leadership that the production will either flourish or fail. Tenacity, guidance, interest and concern are all qualities that a good director must possess. Undoubtedly, the directors of our production, the faculty, not only

possess these traits but display them each and every day they are called upon.

Cathedral Prep has one of the finest faculties in the area. The majority of them hold masters and doctoral degrees. Their main role is to enliven the

student's interest in their studies and to mold the moral character of the men of Prep. We, the cast, benefit greatly from their perseverance in fulfilling their major role in the production.

The Reverend John M. Dollinger, M.A., Headmaster

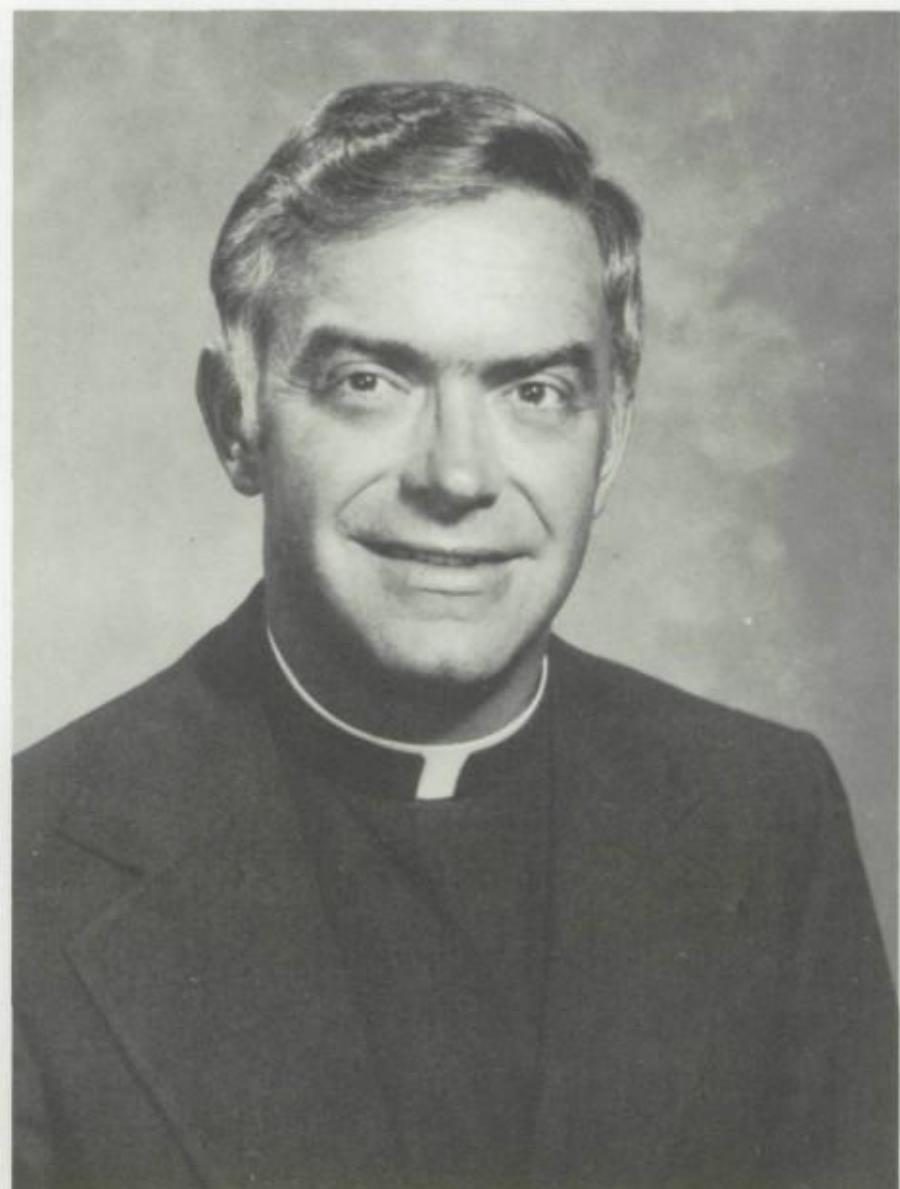

Fr. Dollinger ably directs our production.

Assistant Headmasters

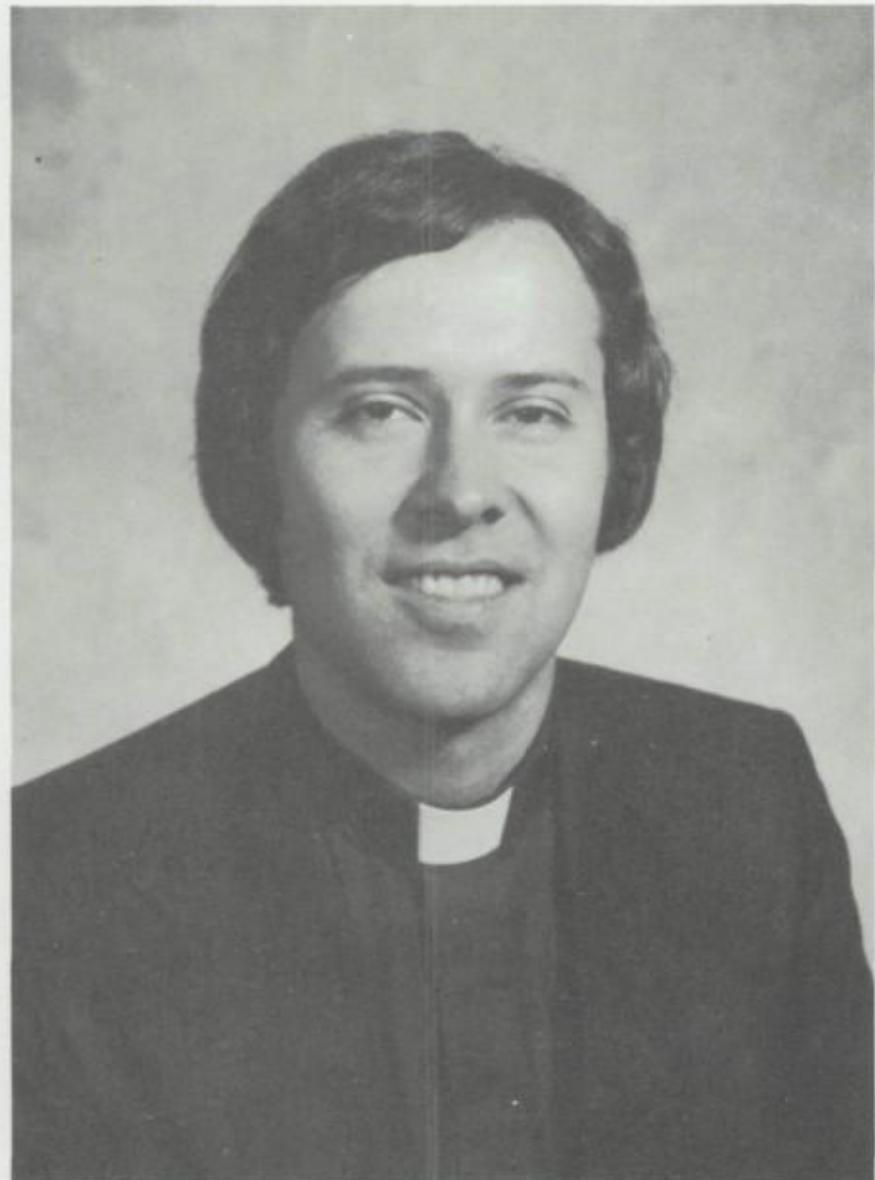

Rev. John W. Swoger

Father John Swoger, a B.A. from St. Bonaventure University, has the tedious job of being Director of Attendance and Discipline. He also coordinates the Cheerleading Squad and Stage Crew and moderates assemblies that are held for student enjoyment. In addition, Father Swoger also dons the title of Assistant Director of Student Activities.

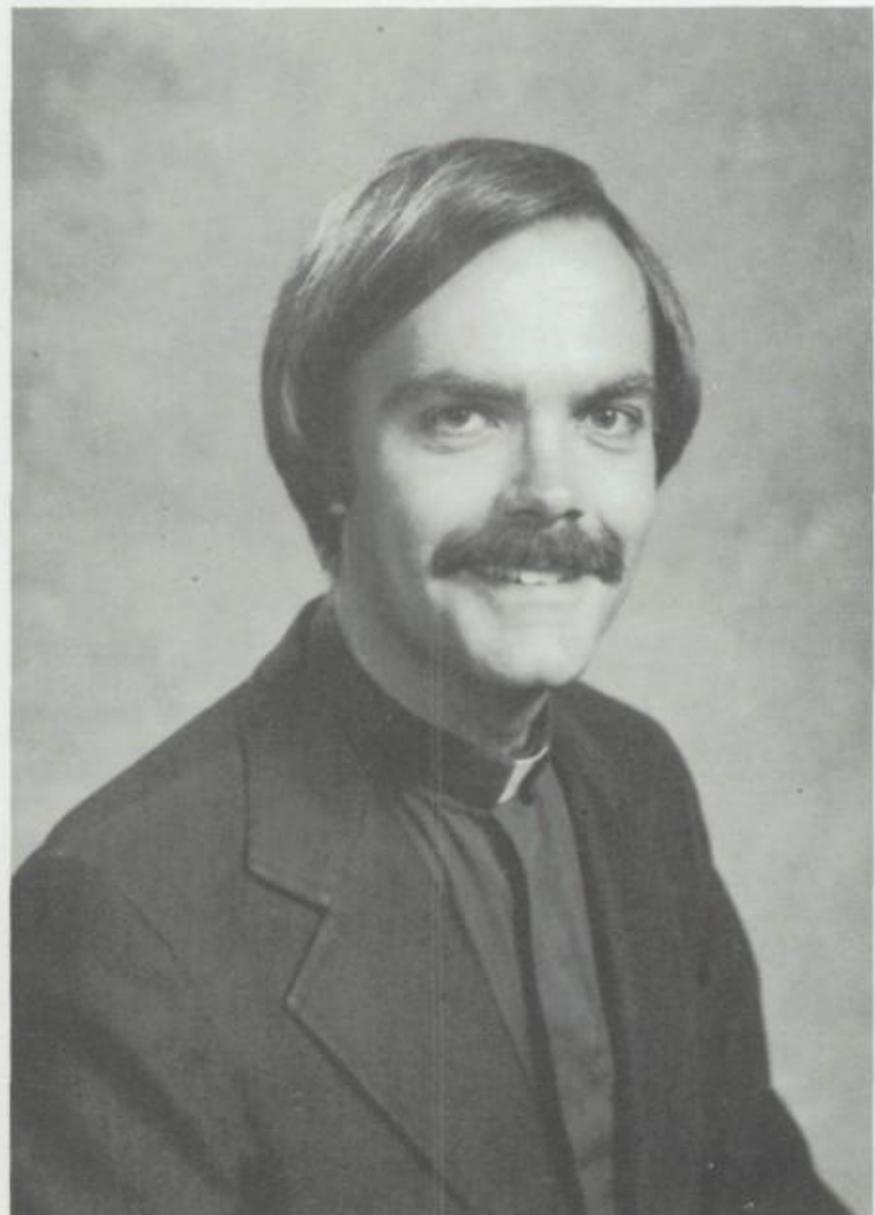

Rev. William E. Biebel

Father William Biebel, who received his M.A. from Marquette University, has a very important role to play in our movie. He is the coordinator of Student Government and head of the Prep chapter of the National Honor Society. He also serves as the director of the Gannon – Prep Advanced Standing Program and liaison between college representatives and the Prep student body.

Rev. Raymond W. Hahn

Obtaining a M. Div. from Saint Mary's Seminary, Father Hahn has been an assistant headmaster for over a year. His duties include the instruction of Sociology and the moderation of debate and forensics. He is also the senior class advisor.

Rev. Patrick H. Engel

Father Patrick Engel, an M. of Ed., has assumed numerous responsibilities at Prep in the last year. A Gannon alumnus, he has been appointed Director of Guidance and has taken it upon himself to talk to each of the seniors individually about their post – graduation plans. In addition to being senior class advisor, Father Engel is the newest assistant headmaster and also a valuable addition to the Theology Department.

Roll 'Em

Fall brings parking problems.

Even in the face of defeat . . .

Enthusiasm on the set and off is the force that keeps the cast of a production united. The zeal at Cathedral Prep ranks first among all schools. Spirit here is universal – in the academic classroom and on the sports field. Behind all our victories and defeats lies a force that keeps spirit alive.

In the Fall spirit is found across the

school. Our golf, cross – country and football teams are out practicing and playing, trying to chalk up their impressive victories.

While the teams are working on the field, our cheerleaders are raising a sweat leading a crowd of autumn night fans in first – class cheering. The expanding Rambler Marching Band makes their appearance with

precision drills and rousing music.

Around school the student body enjoys the last warm days of the year with outdoor morning rallies and “after lunch” spirit displays. The Fall set establishes the theme of the whole production.

Prep spirit lives on.

"C'mon, Bill. Physics class isn't that bad."

The Spirit of Prep

"Spirit" is a term which has always defied definition. Although schools and athletic teams and fans say that they have spirit, they would be hard-pressed to pin down exactly what this feeling or mood or state of mind might be. Prep has always been known for its spirit, a spirit which is purported to be better than all others. Too many times, though, this has come solely to mean that the students can yell the loudest at a game or fill fifteen buses for a playoff contest. This is certainly important, but it is not the limits to which a spirit can reach.

Spirit can be quiet as well as loud, restrained as well as rowdy, ritualized as well as spontaneous. The "Spirit of Prep", like all others, defies any attempt at definition because it is lived for the moment and then exists only in memories. May the memories remain forever.

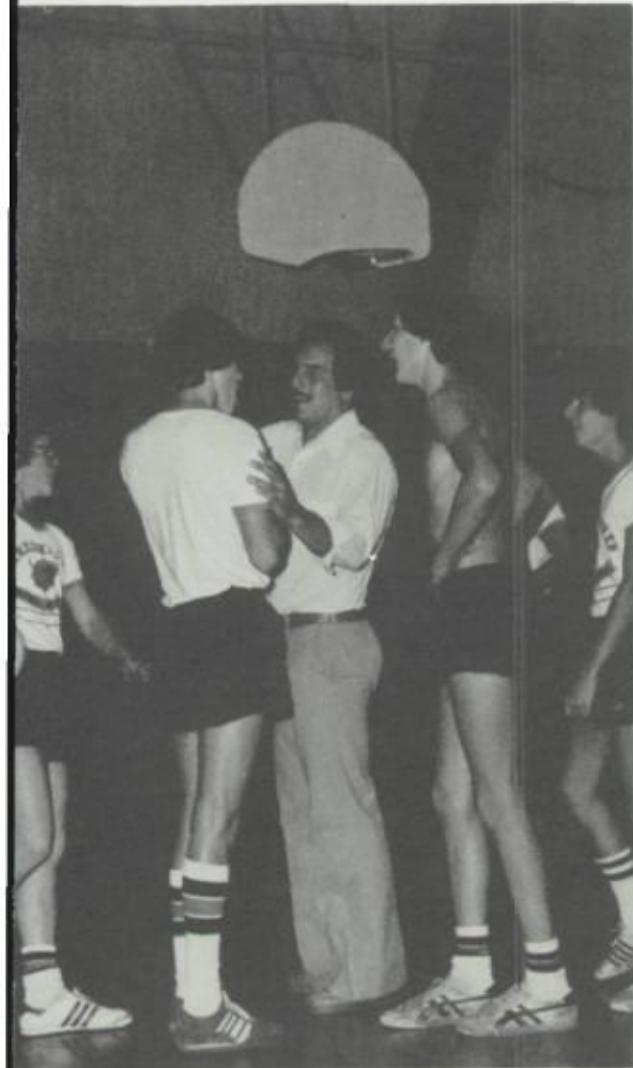

The "Sixth Man" awakens the exuberant spirit before a game.

T.A.C. members exemplify the spirit of giving.

The creative spirit is displayed by Kevin Krahe's artistry.

The spirit of concern moves through our everyday activities.

Seniors Dave Kuhn and Marty McCormick exchange a visible sign of the spirit of brotherhood.

There is always need for the contemplative spirit to "sort things out".

MUSIC BY:

Very few productions exist without the accompaniment of music to set the mood and play on the audience's emotions. It is with music that happiness can be expressed, sadness can be felt and life can be experienced. Providing the music for "Real to Reel" is none other than the Cathedral Prep Band under the direction of Mr. Roy Fronzaglia and Mr. Anthony Savelli. The band has come a long way since the beginning of the production four years ago. From a small, inexperienced and disunited group of players we now have a large talented group of musicians providing the music in our movie.

Accomplishments of the band are numerous, and they are well earned. Last summer, the band spent 4 days at camp Glinodo where they drilled and practiced until they had mastered their marching technique and learned their music. There were 105 students in attendance with a staff of 12 instructors to direct the musicians to perfection. The band has taken first place in a Buffalo parade, second place in the North East Grape Festival Parade, 6 award trophies for the best drum major and best music score, third place in Erie's Salute to Labor Day Parade, and also third place in the McDowell Invitational Field Competition.

This year, there has been a large influx of new musicians as well as recent tryouts for girls from Villa and St. Bens. Thirty three girls have joined the ranks in the Prep band forming the color guards, baton twirlers, and riflers. This brings a total of 58 girls now actively involved in the Prep band and a grand total of 120 students performing.

Once again the Cathedral Prep Jazz Band has kept the school spirit very lively.

Their enthusiastic performances at the basketball games has greatly aided the Prep sixth man in cheering our squad on to victory. Under the direction of Mr. Roy Fronzaglia, the Jazz Band has not only kept up their past excellence but has superceded it.

Cheerleaders Unify Spirit

Nols, hot on stage.

Leading the schools bleacher power is none other than this year's edition of the Cathedral Prep Cheerleaders. Their dedication and loyal service to the school has proven to be the key to good sportsmanship. Our teams may not always win but the support given them throughout each contest gives them a sense of accomplishment no matter what the final score may read. Leadership is the key to success. With 18 cheerleaders to lift the spirits of the student body, success is inevitable. Like the actors in a production, practice must accompany their roles so their performance will be of the highest quality. Our cheerleaders are no exception to this rule. The Orange and Black Rally — Men spend hours organizing and planning different events to motivate the student body into a state of delirium for the approaching event. Rallies, on and off the stage, have accomplished this goal and have given the team members a sense of pride in the school they represent. Without the cheerleaders, spirit is still present but appears as an unrehearsed play. The cheerleaders take that spirit and unify it into a freeflowing cry for victory. With the cheerleaders to lead us, we will be recognized as a school that stands high above all the rest.

STARRING: THE CLASS OF 1979

Front Row: Fr. Engel, Advisor; Robert Ek, President; Joseph Semple, Secretary; Michael Zappia, Vice-President. Back Row: Fr. Hahn, Advisor; Steven Lyons, Treasurer; Mr. Zambrowski, Advisor.

Four years ago we arrived on the set, doubtful and with little self-confidence. The little theaters we had previously played couldn't compare to the big time film in which we would eventually star. Stardom though was not our concern just yet. We had a lot to learn and needed much experience. All of this would take time.

We began our training by being exposed to our new surroundings, meeting our directors and getting acquainted with our fellow actors. For the most part, the parts we would eventually play would be the result of our development in our new environment.

The first year went by quickly and with it we gained new insights and knowledge — our roles as actors were taking form. The following year brought with it new courses of study with directors to match. We, as actors, were opening more, our hidden talents were surfacing and our doubts were slowly vanishing. With the completion of this year, we could see that we were becoming well-rounded actors capable of playing any part that might be offered. Year three came into focus and it was with that

stardom became visible. This was the year that our training would be of utmost importance for we knew the final cuts would occur in the near future. As the year progressed, we paid close attention to the stars of that production, learning from their mistakes and gaining from their successes. With the close of our third year in training, we were ready to star in our own creation. With the arrival of our senior year, our starring roles became a reality!

This year we arrived on the set confident and with an abundance of enthusiasm. It is a great feeling to look back and see how we've overcome the different obstacles obstructing our progress. We have met and accepted the challenges offered to us over our four years, but now we must move on to where the challenges offer higher rewards. Soon we must take our place off the set and join society where our success as actors will be determined by our accomplishments and failures. But for now, put all this aside, for the spotlights of "**REAL TO REEL**" are upon us!

HOMECOMING '78 – A GREAT SUCCESS!

On the morning of September 15, the Prep Student Body was introduced to the candidates vying for the title of **Homecoming Queen 1978**. For the six young ladies, this was only the beginning of a weekend full of memorable events. Representing Villa Maria Academy were Laura Samanowicz, escorted by Tim Nies, Mary Jane Reinhold, accompanied by Dan Doyle, and Lori Caporale who was escorted by Mark Weibel. Representing St. Benedict's Academy were Patty Veith, escorted by Joe Nolan, Laurie Hook, accompanied by Bob Milhisler, and Jackie Baker who was escorted by Tom Held. That evening, our varsity football team traveled to Upper St. Clair due to the fact that the renovation of the stadium was not yet completed. Even though our team played a hard fought battle, they were defeated by a strong Upper St. Clair squad. The outcome of the game, however, had no ill effects on the following night's festivities. The music, provided by "Justin Time", combined with the casino-like games and auction, proved to be determining factors to the success of this year's homecoming. Midway through the excitement, the music stopped, and all gathered around the master of ceremonies, Tim Albertson, who was to announce this year's homecoming queen and attendants. The honor was bestowed upon Jackie Baker of St. Benedict's Academy and with everyone's approval, the night's festivities continued. A great deal of credit should be given to the homecoming committee for their long and hard work which made the evening such a sensational event. Special commendation should be extended to Father John Swoger, Father Raymond Hahn, and Miss Joanne Maxwell for their help in making Homecoming 1978 a successful and memorable evening.

Joseph P. Lindsay (March 23, 1961 – August 22, 1977)

"You are the light of the world. A city built on a hill-top cannot be hidden. No one lights a lamp to put it under a tub; they put it on the lamp-stand where it shines for everyone in the house. In the same way your light must shine in the sight of men, so that, seeing your good works, they may give the praise to your Father in heaven." — Words of Jesus from the Gospel of Matthew, ch. 5.

Joseph Lindsay reflected the light that Jesus called for at Cathedral Prep. In the two years he was at Prep he shared with us this light in his forthright and unselfish manner. Joe was a member of this graduating class of 1979. He was killed in an accident just before beginning the junior year. His spirit is still a part of this class because he left with us the memory of his fine, manly character.

Harriers Race To Sixth In The State

Extend Undefeated Streak To 54 in a Row

This year's edition of the Cathedral Prep Cross Country team had great aspirations. The team reached the Districts and Sections for the fourth year in a row. In the States they placed sixth and clinched first place in the McDowell Invitational and Akron Firestone Tournament. The team has come in second place in the State College and Tri - State Tournament.

Outstanding individual performances were given by senior runners Fred Heintz and Tom Held. Fred, who took 2nd place in the McDowell Invitational and sixth in the State has done a remarkable job in leading the team to great pinnacles. Tom, who captured sixth place in the Districts and twenty - fifth in the State has been an asset to the team with his remarkable running ability.

Golf Team Goes Undefeated

The Prep Golf Team this year has been very successful in their undertakings. They became undefeated Metro - League champions with a record of 10 - 0, and added two impressive independent victories over county league champions, Fairview, the first of which ended the Tiger's 38 - match win streak. Under the direction of Mr. Jerry Pohl, and managers Mike Rayfield and Steve Lyons, and with the combined team efforts of seniors Jim Amendola, Dave Kuhn, and Mike Oleksak, aided by juniors Tom Bean and Don Fessler, the team has been very fruitful. In the District Tournament, Tom Bean placed first, Don Fessler held fifth while Mike Oleksak captured seventh and Dave Kuhn seized eleventh. In the State Championships at Hershey, Don Fessler placed fourteenth, Tom Bean took seventeenth place and Mike Oleksak finished in thirty - seventh place. The year culminated with the naming of seniors Amendola and Kuhn, and juniors Bean and Leo to the All - Metro Team. Next year, the team expects even greater achievements with its outstanding crop of underclassmen.

After a change in the coaching staff, the 1978 edition of Rambler football displayed a great deal of promise for the coming years. Unfortunately, the football team ended the year with a 4 – 6 record. Under the direction of Prep's new varsity mentor, Mr. Tony Zambroski, the team displayed sporadic but determined performances.

Although sixteen lettermen are departing, thirteen are returning possibly bringing with them a new outlook for next year. Standouts for the Ramblers include seniors Mike May, Mike Lesniewski, Gary Metzgar, Bill Dietz, Matt Glowacki, and Dave Perkowski. Returning next year will be Joe Serbati, Pat Smrekar, John Caporale, Jeff Fowler, Jim Bifulco, Greg Durkac, and Bob Nies.

Ably aided by assistant Coaches Tom Calabrese, Gerry Drabina, and Tom Delfratte, Coach Zambroski has higher expectations for next year.

J.V. Football Wins Metro Title

The Junior Varsity Football Team under the coaching expertise of Mr. Tom Hansen and Mr. Mark Wilwohl, completed their season with a fine 6 - 3 - 1 record. The Junior Ramblers won the Metro league title after a close battle with Strong Vincent. This year's team lost five sophomores to the varsity. These included Greg Durkac, Bob Nies, Lance Trott, V.J. Kaiser, and Joe Tarasovitch. The standouts which made the J.V. team a great success are: Jim Sturm, Bob Letterio, Terry Colvin, Scott Marchal, Mark Clark, John Hansen, Tim Wentzel, and Ted DeSanti. The coaches have great hopes for another super year.

Freshmen Sport Perfect Season

Ramblers open a big hole for a long gain.

The Freshman Football Team under the leadership of Coaches Jack Pikiewicz and Mark Scheppner, ended their season with a 3 – 0 record. In the three games played, the Frosh displayed outstanding skill and determination and showed their strength by never being scored upon. Team standouts include: Jim Lynch, Joe Rodriguez, John Perkowski, Greg Andera, Gary Miller, Mike Dill, Mike McGrorey, Tom Luteran, Bob Corritore, Dave Nies, Dave LaRiccia, and Terry Tighe. The Christmas Party brings a collection of expressions.

I shouldn't except candy from strangers.

Angela Engro shows what T.A.C.'s all about.

The Teenage Action Club, in its fourth year of service to the Erie Community, is still going strong. Under the aegis of its moderator, Fr. Michael Barletta, the club has initiated many activities that have been helpful to many unfortunate and needy people. The Teenage Action Club is a year-round organization. The Club begins its activities with a summer party at which new members are welcomed. The first major activity this year was the halloween party and a door to door collection to benefit the residents of the Esther Hoh Home for the Aged. Other projects included visits to the Soldiers and Sailors Home. In visiting these places the club took part in sing-alongs, bingo, gift giving, and refreshments.

The highlight of the club's activities was the annual Christmas party for the under-privileged children at the St. Martin's Center. To get into the spirit of Christmas, the club had fun in wrapping and giving gifts to the children. They have also initiated food collections, raffles, giftshop sales, retreats, along with coffee and animal house dances.

These are some of the club's many and varied events for its growing 700 members from six area high schools. T.A.C. has shown many people how to mix work with fun in creating a community of Christian brotherhood.

During the course of an extended production, many variables will determine the outcome of each individual scene. The weather and its factors are some of the biggest variables that must be taken into account. With the winter months comes much activity, both indoors

and outdoors. Outdoors, the skiers can once again hit the slopes and show off their skill at Peak 'n Peek. Indoors, sports such as wrestling and basketball are executed and encouraged. It is during these winter months that a lot of the activities of the school occur. Different clubs

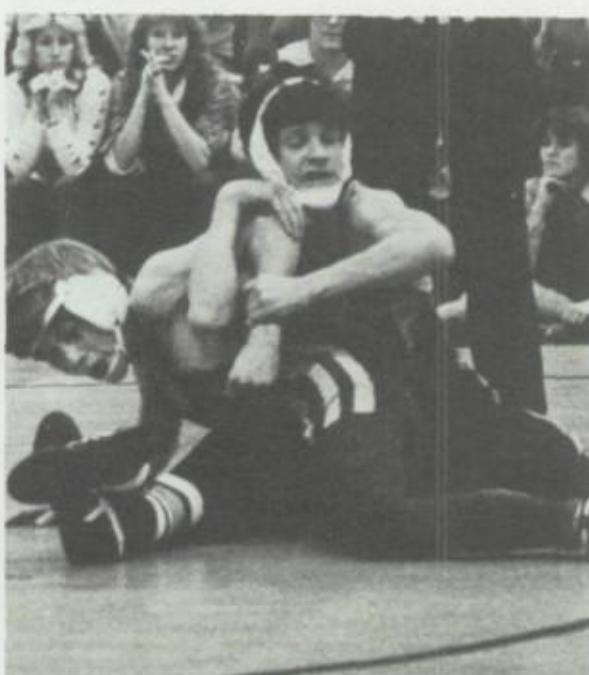

gather on weekends and after school to take part in their endeavors. The winter atmosphere brings new interests and new ideas to Cathedral Prep where the majority of the students take advantage of the new atmosphere.

The 1978 edition of Cathedral Prep Water Polo came into the season as underdogs yet almost managed to win the City Series championship. They bowed out after a hard fought playoff match with the eventual champions from Strong Vincent. Senior Mike Engle was the lone member from the squad as a first team All-City selection. Returnees Paul Lubiejewski and Bill Hahn were named to second team berths while Steve Scully, Joe Semple, Rick Arrowsmith, Paul Robie, and Chris Mennini received Honorable Mention merits.

Head Coach Mr. John Vrana, with the help of Mr. Tom Semple, spent many hard hours developing a young team into surprising championship contenders. As the season neared its end, the Ramblers found themselves in a three-way playoff for the title with Tech and Strong Vincent. A 9-7 loss to Vincent ended their season. Also aiding the effort was support from Glen Carnicelli, Gary Lindenberger, Brian Benoit, Mark Holland, and Rick Bloxdorf. A very young team, the Ramblers will surely be back next year to avenge the title.

Picked to finish in fourth place in the Metro League, the varsity Ramblers showed some style this year as they made the P.I.A.A. playoffs with a second place showing in league play. They did this by disposing of Academy in a thrilling playoff game for second. Vincent came away with Metro honors by defeating Prep twice. Prep's overall season record was twenty-three wins against five losses. Head coach Mr. Flaherty with his assistant Mr. Wenrick constantly drilled the team to try to reach perfection. Those who saw the majority of action this year were seniors Tim Emling, Mike May, Gary Metzgar, and Tim Nies with juniors Tim Gore, Jerry Kaminsky, Jim Rosetto, Andy Sisinni, and Bob Stevenson. Finishing the season by defeating Strong Vincent for District 10 honors, the Ramblers were eliminated in the state quarterfinals by Beaver Falls. This young team will carry on the winning tradition in 1980.

With an undefeated ten wins and zero loss Metro League record, the junior varsity Ramblers capped a rugged schedule with an overall sixteen and two slate. Their two losses were at New Castle and Johnstown. State powerhouses such as Brashear and Peabody were easily disposed of by Head Coach Tom Hansen's crew. Coach Hansen holds a two year J.V. record of 33-2. The team was led by John Achille, Chuck Brower, Chris Fatica, Jim Kaiser, Pete Russo, and Joe Tarasovitch. This team is sure to provide needed depth for the varsity next year.

Size and strength were the factors that led this years' freshmen basketball team to a glittering eleven wins – one loss record. Although losing two players to the junior varsity squad, they still combined for a successful campaign. Under the direction of Mr. Tom Del Fratte, the freshmen started building the skills necessary for a successful varsity squad in the future. Their only loss came at the hands of Mercyhurst Prep's Junior Varsity team, but they quickly regained that loss with a one-sided win. Starring roles were held by John Bizjak, Doug Carter, Gary Miller, John Schawb, Jack Stevenson, and Mark Zappia.

This year's swim team was in a tight race all year but finished in second place in the Metro League to the powerful Strong Vincent swimmers. Their two league losses were both at the hands of Strong Vincent. In District 10 action, they came back with a third place finish. Still, several individuals went on to further competition. Head Coach Mr. John Vrana with co-captains Paul Lubiejewski, Kevin Smith, and Paul Robie provided the leadership to direct an outstanding team. A Prep school record was also broken this year by sophomore Chris Mennini with a 53.4 in the 100-Butterfly. Mennini was joined by Rick Arrowsmith and Paul Lubiejewski as state hopefuls. Their only other loss came, in a squeaker, to Fairview which put their season record at eight wins — three losses. The backbone of the team was provided by seniors Glen Carnicelli, Mike Engle, Mark H. Holland, and Kevin Smith. Made up of a majority of underclassmen, the swimmers will pick up next year where they left off in 1979.

Junior Varsity

The Prep Grapplers, the area's premier wrestling team, exemplifies the excellence that our school is known for. Jack and Bill Pikiewicz, having celebrated their one-hundredth victory, are leading the Prep wrestlers to another brilliant season. Winning the city tournament and tying state ranked Reynolds highlighted wrestling action. Although all team members deserve special credit for their hard work, Bill Leemuis, George Chase, Kevin Darkus, Eric Borgia, and Bill Goodill, deserve recognition for reaching the state regionals. Led by 105 pound state champion Kevin Darkus, the wrestling team ended on a high note by capturing ninth in the state.

Compiling an eight win – six loss regular season team record, the 1979 edition of the Cathedral Prep Rambler hockey team has earned a berth in the Class AA state playoffs in Pittsburgh. While they ended in second place in the Lake Shore League to champions McDowell, they still were in contention by disposing of all other league teams. Hardshiped by lack of practicing surfaces, they often traveled to Meadville just for practice. Under head coach Nels White, the team has made their way to state contention. Starring roles for the Ramblers were held by captain Mike Collins, Gary Jerge, Mike Lackovic, Tony Sala, Jack Schumacher, Tim Watters, and Ed Witt. Their season ended in state competition as they lost in the semi-finals to North Catholic, 4-3 in overtime.

Intramurals

The Intramurals Program at Cathedral Prep has many objectives that it strives to achieve. The first and main purpose is to create a good level of competition where the participants may come to know good sportsmanship. The second objective is to provide enjoyment for the various teams who partake in the program. The sports that compose the program include basketball, football, soccer, volleyball, and golf in the fall and spring. Much credit is to be given to Mr. Krasinski and Mr. Wenrick for their long, dedicated hours of assisting and refereeing the sporting events.

Ski Club Makes

Erie winters are never very predictable. This year was one of the bad ones for the Ski Club. The snow, which everyone else is so glad to see melt, did just that for most of the season. The seventy members of the club made the best of the available snow though and trekked to Peek 'n Peak almost every Wednesday evening to challenge the slopes. Fr. Mark Nowak and Fr. Frank Przepierski led the downhillers who comprise one of the largest and most active clubs at Prep.

With the melting snows and the warming winds, spring brings with it a variety of activities. Sports taking precedence include baseball and track. These two competitive sports pick up where wrestling and basketball left off. They give us a chance to exemplify our unending spirit

which is dominant during the winter months. Under head coach, Mr. S. Brzezicki, the baseball team has become one of the best high school teams in the city. The track team, under their head coach Mr. Dave Kordich, has tried to reach great goals. The clubs, during these warm-

ing months become like a bear out of hibernation. Their finest efforts come forth as the end of the school year approaches. Last efforts must be put forth to end the activities with a sense of pride and accomplishment.

This year's edition of the tennis team, under the leadership of Mr. Jerome Pohl, has a bright future. The team has a hard act to follow after a super season last year, but with the hard work of many underclassmen and the addition of some transfer students, the season looks promising. This year's toughest competition will come from McDowell and Vincent. The netter's leading men will be Len Brzozowski, Tony Yang, Tim McGinty, Andy Kalish, and Jonas Hall. Tony Yang and Len Brzozowski will team up for a tough doubles team. They have had a fine career and will be looking to have another fine season.

Track and Field Sprints to Greater Heights

The track team, led by superior distance men will be striving to attain a city championship. Tech, coming off a state championship will be a tough foe but coach Dave Kordich feels his cindermen can give them a fight. While losing only two lettermen, the long distance runners seem to be the strength of the team, while the sprinters and weightmen have been working hard to tie together a championship team. The runners will be led by Tom Held, Fred Heintz, Bill Phillips, and Marvin Wadlington. Promising sprinters are Tim Dunst, Jim Bifulco, and Jeff Bol. Top weightmen are Eric Fischer, Andy Penna, and Don Fessler.

This year's baseball team faces a tough season. The loss of five lettermen presents yet another obstacle to overcome but first-year head coach Stan Brzezicki is confident. With the help of Tom Kalista this year's edition of the baseball team promises to be outstanding. Stan Woldanski, Dan Luthringer, Bill Dietz, and Dave Rosenburg will help lead the team to a salient season. Juniors Pat Smrekar and Jeff Fowler add talent and future hope to the '79 Ramblers. Forensics

Forensics has made great strides at Prep in the last three years. A once languishing activity has been revived and many of the students who have participated in the past attribute their speaking ability and social poise to the competition that forensics offers.

This year's debate team, under the direction of Fr. Raymond Hahn, has garnered a great many distinctions. They placed first in tournaments at Kennedy Christian and Riverside High Schools. They took second place in competition at Westminster College and were awarded third place at the annual Cathedral Prep Invitational and the Knoch High School meet. The team also captured twenty-fifth place at the University of Pittsburgh tournament.

The speech division of forensics, under the leadership of Fr. Mark Nowak and Sr. Virginia Hoffmann, O.S.B., has experienced growth this past year. The team has competed in tournaments throughout the tri-state area held at high schools in Erie, Sharon, Mercer, North East, Pittsburgh and Johnstown. This is also the first year that the speech categories have been added to the Cathedral Prep Invitational Tournament.

History cannot always be measured by the amount of hardware brought home and, although the Forensics team has done its part to fill the trophy cases, the real success is in the final product, the student who gains self-confidence and a facility for communication. The team, which holds membership in the National Forensics League, the National Catholic Forensics League, and the Pennsylvania High School Speech League, hopes to place a number of people in the national tournament which will be held late in May in Milwaukee, Wisconsin.

Model U.N.

This year's Model U.N. under the leadership of its moderator Mr. Tom Kalista has experienced many challenging adventures. This fall they participated in the General Convention held at Gannon College. Be-

fore the formal meeting, the student members studied the history and past voting records on U.N. matters, as well as the over-all political status of their representative country, Peru. They also went to Washington D.C.

to be involved in the National Convention held there. The Model U.N. assists students in becoming aware of the workings of this world organization which deals with the problems that plague our globe.

SUPPORTING CAST:

"My! Mr. Ensani, don't you look chipper today."

"We found 'em, honest."

In order for any production to run smoothly and successfully, there must be a supporting cast who can add their talents to the production as a whole. There are very few people who can enter a set and immediately move into the starring roles. The beginning years of Cathedral Prep are tough and trying. It is

only the true Prep man who, upon entering, will play the starring role in his senior year. Fortunately, Cathedral Prep's productions for the future look promising and hopeful. Looking at the underclass as a whole, it is great to see the strong leadership that will soon be exercised by Prep men. The senior

class sincerely hopes that the underclass has learned and gained insights from the strong guidance and direction they have tried to exemplify.

It is only natural that the progressing years at Prep increase in difficulty and demands but the final rewards are well worth the battle.

As you look back upon your advancement, you will see changes in yourself that were basically the result of the atmosphere and people to which you were exposed. It has been said that your high school days are the best years of your life. It is to your own benefit that you realize this while you are still able to enjoy them. You entered a strange build-

ing and encountered new people and ideas. You were told what was expected of you and you were given the rules of the school. From then on, you have been paving your own road, meeting new problems and solving old ones. There have been many talented people who have helped you along your path and those same people will be around

until your path leads you out of Cathedral Prep in your senior year. The insights and knowledge which you gained will long be a part of your character and you will always have that certain quality that will allow others to know you are a Prep man. As underclassmen, you must strive to attain the highest expectations of yourself as . . .

We Celebrate As Christians

Religion has always played an integral role in the life of a Prep student. Each week one of the four classes has the opportunity to actively participate in the celebration of the Eucharist. In addition to this, the students can reconcile themselves with God and the community in the Sacrament of Penance which is celebrated on Monday and Tuesday by the priests of the faculty. These activities aid in developing the hesitant adolescent into a self-confident Christian man.

Aside from these sacramental celebrations, religion moves us into the world, as Jesus moved among people, in order to better celebrate life. It leads us to the realization

that, as Christians, we must live our faith every day or it is no faith at all. Our involvement in community activities whose major purpose is to help others, gives witness to our dedication to God and the Christian tradition.

As Christians we also live in the belief that our life here is a preparation for life with our Father in heaven. This year we joined in celebration for the resurrection of one of our community, Freshman James Kuzma, who was hit by a car this past Fall.

It is our faith which forms our life now and it will be our faith which leads us into the future.

James Francis Kuzma (1964-1978)

Prep priests celebrate the Eucharist to begin a new year.

We celebrate life together.

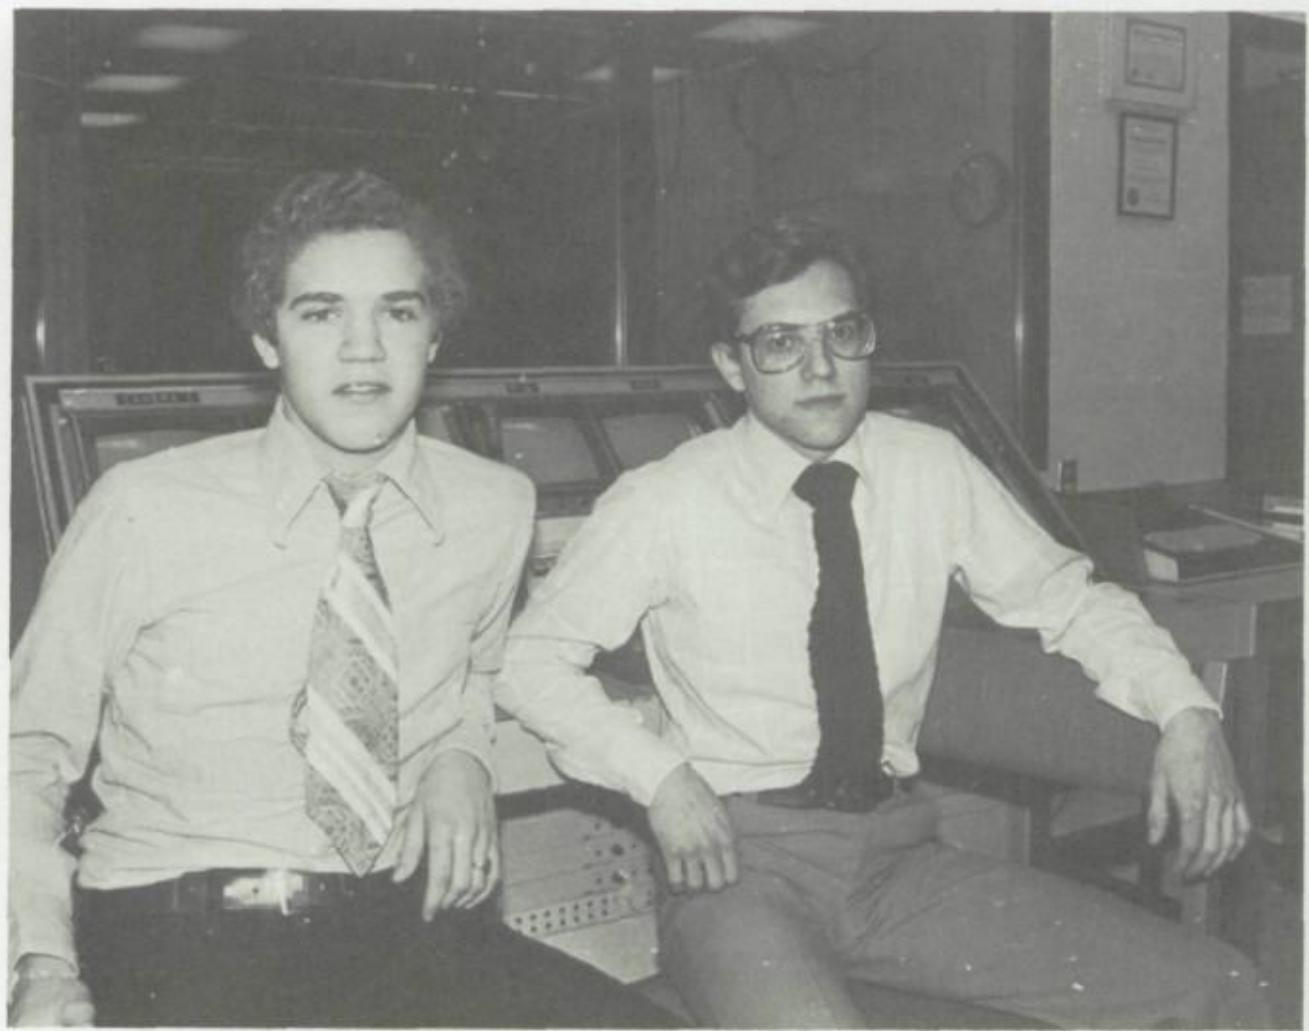

The drum line from the Prep Band participates in a march for life.

The Seniors lead the Prep community in prayer.

The Year In Retrospect

Autumn brings old friends together again.

Spring gives us a longing for days of freedom.

The howling winds of winter make Presque Isle a foreboding place.

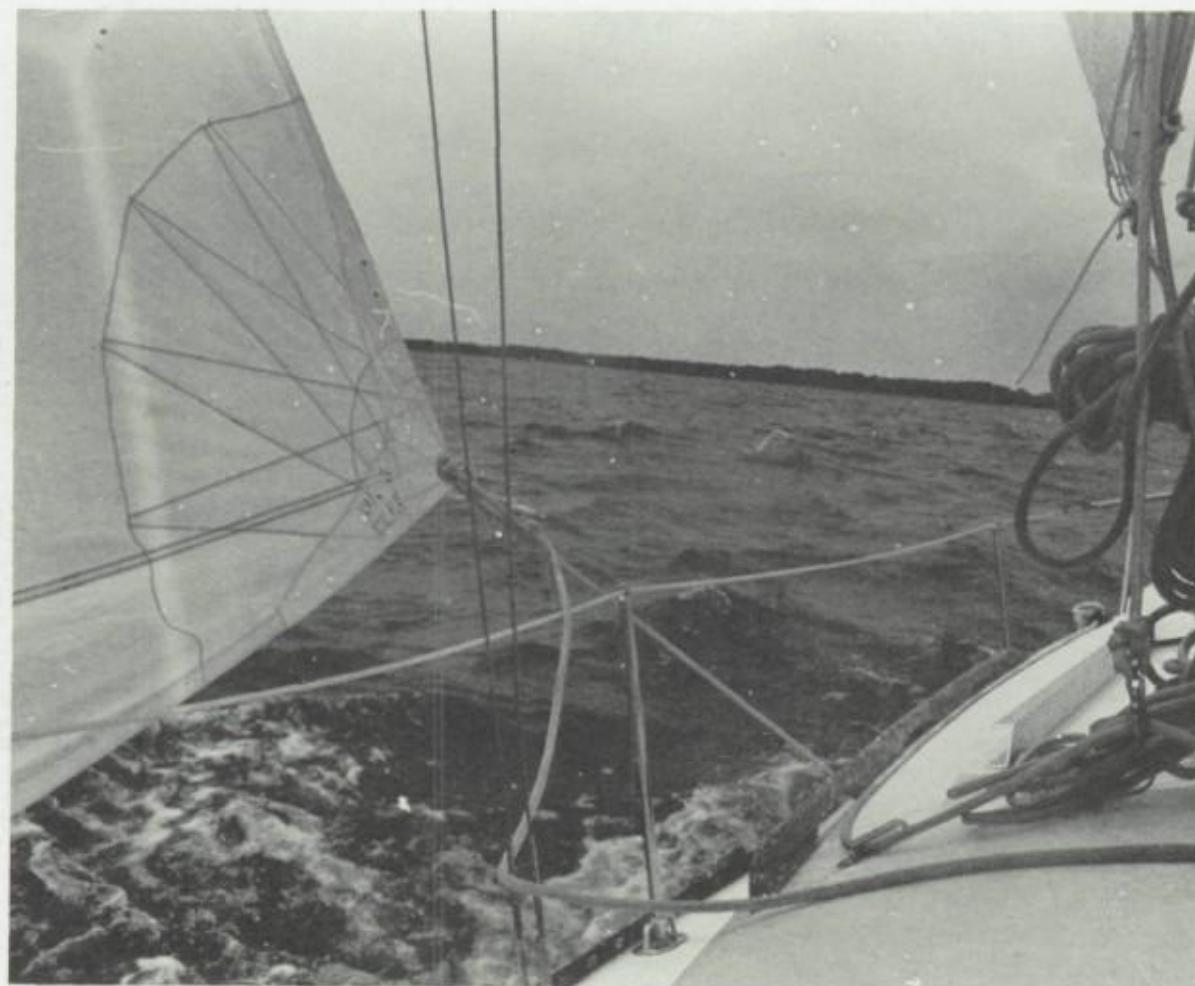

After the scenes have been shot and the actors have completed their roles, a job remains that must be handled with utmost care. Film must be viewed, spliced, and organized, keeping what is worth presenting and disregarding that which adds nothing to the presentation. It is not a job that can be accomplished in a

few days. We, the LITERULAE staff, have worked since June to give you only the finest of yearbooks. Many hours were spent printing and cropping pictures, writing copy and attempting to carry the theme through. Our waste cans, filled numerous times with irrelevant materials, leaving on our desks only the

finest scenes for what we call "Real to Reel." Our movie theme has been devotedly carried out so you can vividly see the production in which you played a part. Someday you will look back and relive it with only pleasant memories. The LITERULAE staff thanks you for being the finest cast a production could ask for.

Erieites enjoy all of the summer's activities.

The relaxing days of summer lead to great adventures.

Party at Rut's house draws big crowd.

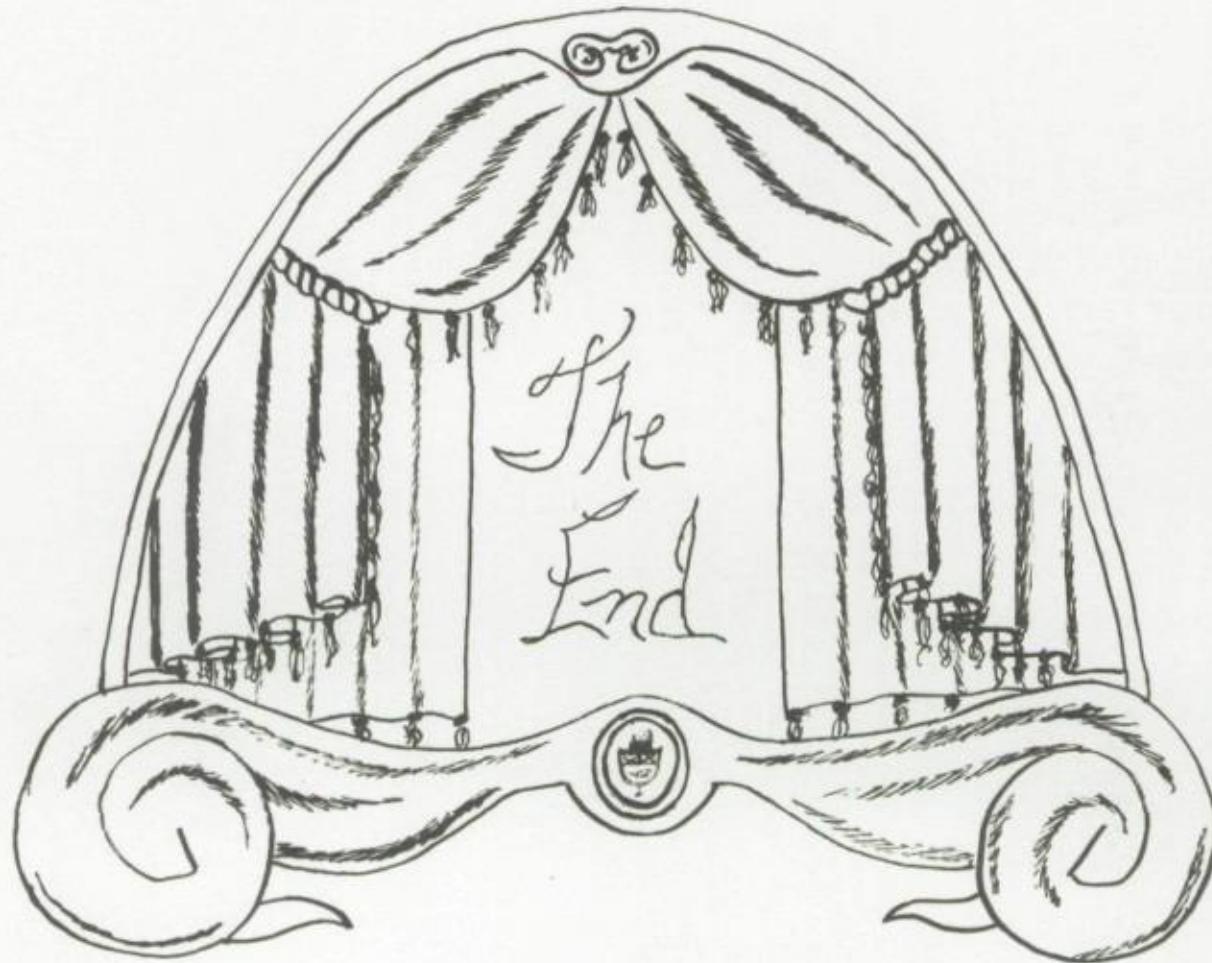

In your hands you hold the finished product of a year's labor. It is difficult to convey the work and struggle that has gone into this book — the late night cram sessions to meet imminent deadlines, the headaches caused by frustrating mistakes, and the endless hassles in trying to bring good journalism into room 407. Titles didn't mean much as deadlines approached; these were do or die situations where the work

load with its problems was shared by all the staff. Trouble was not all that the yearbook had in store for us. We all found large rewards and have taken great pride in our work. A special thanks to: John, Bruce, Sean, Jim, Gary, Pete, Mark, Jerry, Jack, Joe, Kim, Chris, Jim, Bob, Gary, Mike, Bernie, and Zeke. In addition to the yearbooks staff, there were many additional individuals and org-

anizations who have helped keep the 1979 LITERULAE alive. We appreciate the time and concern of: International Motion Pictures, Lorei Studios, Spelta's Formal Wear, Gannon College, Tom Chaffee, Matt, and Eleanor Gwynn. The school year is now drawing to a close. We've done our best at filming a year at Prep and hope you find it satisfactory. LATER...
